

Noble Eagle Sailor Advocacy (NESA) Extension/Transfer Agreement

Member's Full Name (please print): _____

I am agreeing to extend a second year at my current location or at another location, as identified below. I understand that based on my decision to extend into an authorized billet, I will be receiving an order modification that will continue me on involuntary Noble Eagle/Enduring Freedom partial mobilization recall orders. I fully understand that once the order modification is generated, I will be serving based on the needs of the Navy, and I will serve until released by proper military authority. I understand that my service under these partial mobilization orders cannot exceed a cumulative total of 24-months on active duty. I acknowledge that based on the Navy's needs, I may be released by the Navy at any time within my one-year extension.

I have read NAVADMIN 227/02 and understand that I have a one-time election opportunity to convert to Permanent Change of Station (PCS) orders. I understand that it is my responsibility to determine which option is best for me. I have indicated my election below.

I understand and accept that this document, once executed, finalizes my desires and I am committed to executing the associated order modification as agreed below.

Having fully read and understanding the above,

I agree to extend for an additional year at my present command _____ (Initial)
